## Our Classroom Rules

Please go over these class rules with your child prior to the first day of school. It is important that we have an appreciation and respect for each other and the materials used within the Montessori classroom. A child's knowledge that his parents and teachers have the same expectations of him during his school day helps to minimize the likelihood of disruptions and to foster the child's feelings of security and accomplishment in a classroom.

1. I use only materials I have had a lesson on.
2. I am always honest.
3. I always show respect to others and to the materials in my classroom.
4. When inside, I always use an inside voice and inside feet.

Thank you in advance for your cooperation.
